COVID-19 - LESSONS & EMERGING STRATEGIES IN AYURVEDA SEPT 25TH-27TH, 2020

Early bird extended to Sept. 07

Announcing 'COVID 19 - Lessons and Emerging Strategies in Ayurveda' - an International Summit!!

Here is a glimpse of what you will get

- Three days of the latest, ground-breaking and successful Ayurvedic treatment protocols, research, innovation and strategies for COVID 19
- 25 Esteemed global speakers from different corners of India and USA, presenting never heard/seen work
- Video recordings of presentations which will be shared in advance, which you can listen and save for repeat hearings at your convenience and comfort
- Live and Interactive Panel discussions on the actual days of the Summit
- A rich cross spectrum learning experience for all involved
- 15 NAMA PACE credits for US attendees

MISSION - ENCOURAGE, EDUCATE AND FACILITATE BASIC, CLINICAL AND INTERDISCIPLINARY RESEARCH IN AYURVEDA
